Parafilm® Dispenser

Film Dispensers

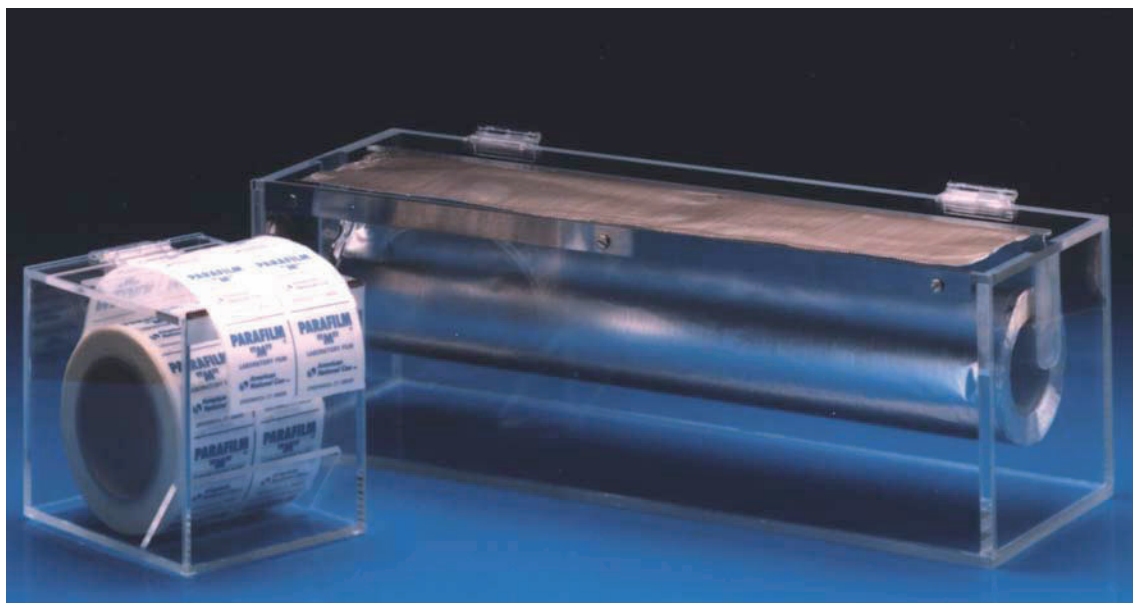

These dispenser offer a dust-free delivery system for those labs that use Parafilm® M, plastic wrap or foil. The lab film dispenser holds a 4" x 30" roll of Parafilm M. The film and wrap dispenser is capable of holding a roll of foil or plastics wrap up to 18" x 1000' long. The dispensers are made of clear, heavy-duty clear acrylic and are easy to clean. Each unit has a serrated blade that cuts without deforming the sheets for one-handed use. Rubber feet provided to prevent holders from sliding on countertops. These dispensers are idea for use in a clean room environment.
